

Rapport d'anglais n°5

Aim :

- Improve our oral level by imitating movies actors.
- Improve our level speaking English with other people.

Ressources :

- Pulp Fiction: *Vincent shoot Marvin in the face; Jimmie's Kitchen in the Morning; Hotel Suite in the morning with the Wolf.*
- Celine and Christopher's Party: Crossword, Guessing Game, Don't forget the lyrics.

Activities:

We watched three scenes of Pulp Fiction and we tried to do them again in a movie way. All of them were at the St Patrick's Day party, last week, organized by Celine and Christopher. First, we have done some crosswords, and then we have some words to make people guess. We had to speak in English all the evening long.

Results :

For Pulp Fiction's part, it's a work in progress: we have to be at ease with the text, know the scene, so as we don't discover it when we read it. For the party, it was a good evening but we didn't have any aim.

Conclusion :

We have to keep working on the scene because two weeks are not enough to do a good conclusion of our work. When we will be okay with the scenes, we can do some improvisation. If we are invited again to an English party, we have to prepare some aims to reach.

Questions :

- Would we take the same advantages from a song than we take from the movies ?
